

Sriom Durga Sagar Amnavasai Havan

Sriom Durgasagar is one of Sriom Devi's 18 Avatars, and is known for his powers in healing ailments and restoring lost possessions. Sriom Durgasagar was the world's first mantravaadi (doctor of the vedas who eradicates evil) and his history goes that his respect and level of surrender to his Guru was one, not even Durga Devi could break. He was a great Maha Kali devotee, and he taught us respect for each of the Vedas, respect for Guru, and the importance of self-control. His power is of great magnitude and by praying to him and keeping a monetary token, we can gain courage, bravery, seek his assistance in finding lost possessions and restoring health.
